Summer 1 2023

This half term in ...

Welcome to Albert Road.

Our big question this term is:

Who are Albert Road?

Well here we are, the start of a new academic year and what an amazing start it has been. Myself (Daysie) and Kathryn would like to take this time to introduce ourselves as Albert Road class teachers. This year we will be sharing Albert Road. I will be in school Monday and Tuesday, and Kathryn Wednesday, Thursday and Friday.

Being the first term of our new year, and having two new class teachers as well as class members, we felt it was the perfect time to find out all about each other and to figure out just who Albert Road were. We are starting the term with our first big team challenge, Wymfest! Our students have not disappointed us! We are looking forward to a great festival. As we continue on through this term, we look forward to helping students pick out their options and getting out in the community to find how we can understand each other through different activities. We are both very excited for this term and all the terms to come,
Daysie and Kathryn.

I think this is going to be a really good year Chase.

How you can support at home

We know this term is going to be a big change for students, staff and home life, each student will now have a communication book going home everyday so we can have constant communication between home and school. Please help us to ensure you spend some time taking a look at what has been written and any concerns, worries, and positives are written down so we have a little inside knowledge on how things have been at home.

You can also email and call if you need to speak to us.

The Wymering School facebook page is constantly update so please keep an eye on that for any upcoming events.

Upcoming Events

Wednesday 27th -
WYMFEST

Thursday 28th -
KS4 Options day
Flu vaccines

We can not wait to see
what this term brings.
Daysie and Kathryn.
