This half term in ... Victorious

Our Big Question

What is the big question this half term?

We are really excited to have opened Key Stage 4 at The Wymering School this term. To help all of our students and staff to get to know each other, we've taken on the task of working together to plan the first ever Wymering Festival for the whole school to enjoy on Wednesday 27th September.

Victorious class are responsible for entertainment bookings and advertising and they've thrown themselves into this with real enthusiasm. We have been so impressed with the willingness the group have shown to get to know new people and try new activities. Well done all of you!

isn’tlike other
