Autumn 2 2023

## This half term in ...

### Our Big Question

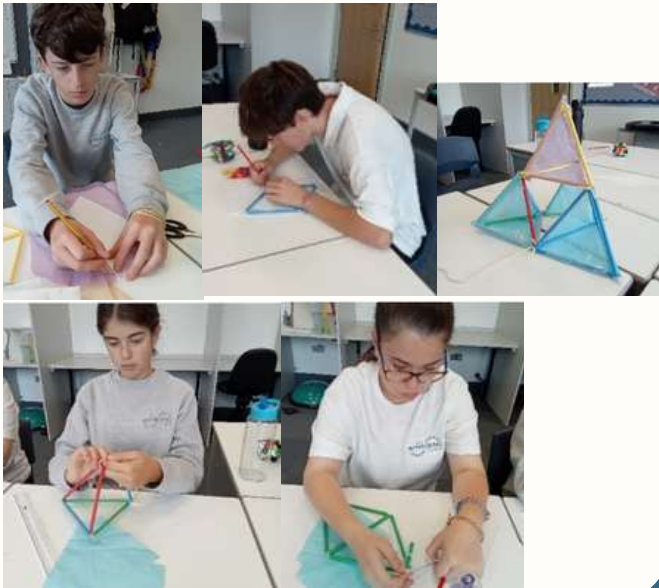

What options shall we choose?

Wymfest was a great success! Our tiki bar was very impressive and, with some last minute modifications due to the wind, it was perfect for serving our specially designed mocktails. They were delicious!

We have all chosen our options and have started them with enthusiasm. Creative craft started a mini project with their Halloween creations, Animal Care have been planning for the new animals we are going to get, some delicious smells have been coming out of the kitchen and Childcare have rounded off the first half term with visit to Playzone.

We have managed to get out and about in the local area, surveying the traffic and patients at QA and although we couldn't make it to the cafe, the bacon sandwiches and hot chocolates were a real treat!

# Family Support Resources
