This half term in ... Victorious

What have we achieved this half term?

Our Big Question

We have had a great first half term within key stage 4.

All students have started their options and they are all doing really well.

WymFest was a hit across the whole school and was accessed by everyone- our students did a great job at serving food and drinks, manning specific tents and ensuring that everyone was having fun.

Students have accessed the community many times to go shopping or to collect their data for their maths lessons.

They have been attending assemblies for the last 4 weeks and have been setting a great example to the younger students within the school.

Specialist Subjects

Students have also been involved with Emotional Regulation, PSHE and Lifeskills lessons this half terms where they have been looking at themselves as person and others around them; identifying emotions and understanding what it takes to be a good friend.

New addition to the KS4

We now have a Wii and Xbox One to support with regulation, occupy free time and to use as a reward for the completion of work. Things have got quite competitive with the Wii- bowling and boxing prove to be very popular!

How you can support at home

- Use our home communication books as a conversation starter at home.
- Share any information that we may need to know.
- Share strategies that work with young person with us in school to try.

If you have questions or queries, please do not hesitate to contact your young persons teacher via the Key Stage 4 email: ks4@thewymeringschool.com

You can also see what we get up to on our school Facebook Page- The Wymering School

Upcoming Events

23rd- 27th October 2023

October Half Term

1st November 2023-

Visit to Fratton Park for KS4

Careers Event

2nd November 2023-

Parents evening 4:30-6:30pm

James said " He is actually excited to come to school"

We have started our Personal Development days on a Friday and have been looking at our strengths and areas for development.

What else is happening?

Students will be using public transport on Wednesday 1st November in order to attend the careers fair at Fratton Park to look at options beyond school. This will be a great event for us as a key stage to attend as well as improving our confidence when using public transport.

Big News!

3 out of 4 students will be on a fulltime timetable after half term- this is great progress for all our students.
