Autumn 2 2023

This half term in Tenth Hole Class

Welcome back!

We have only been back at school for 2 weeks and we have done so much and there's still so much to come!

On the 2nd of November KS4 took a trip to a careers fair at Fratton park, this was a great morning out it gave us a chance to use public transport and a chance to think about what we might what to do after we leave school.

Students walked around and spoke to employers about job roles they have in there organisation and even picked up a few freebies!

This was the first of many events for our KS4 students to start thinking about there futures.

Christmas Market

At the Wymering we are having a Christmas fair where the students will be making stuff to sell to friends and family, in Tenth Hole we will be making pickle onions and chutneys, so if you have any glass jars you no longer need we would love to re use them for our project.

A date will be coming for your diary soon.

Parents evening

Parents' evening is coming up on the 16th of November so please make sure you have booked your appointment with the class teacher, this is a great way we can share with you how we have settled back in at school.

We are super proud of the students of Tenth Hole class and how they have settled back in, we cant wait to tell you about it.
