This half term in ... Victorious

What is going on in Victorious this half term?

Our Big Question

We really are in full swing in Victorious class; we now have 6 students compared to 4 before half term.

We are fully engrossed in our options lessons which some excellent work coming from Cooking, Child Care, Creative Craft and Animal Care.

There was an unfortunate storm day which led to our parents and careers evening being cancelled; this has now been rescheduled for the 16th November.

Some of us took part in a Halloween tradition of pumpkin carving, and this got very very messy!

We also engaged in our first full KS4 trip to Fratton Park for a careers event, and we travelled by the public bus- which was a great success. Students were excellent with their behaviour but also the questions they asked whilst at their fair.

A target for us all has been working on our core stability and improving this to support with balance, for some this has been easy for others it has been a struggle but we have all tried our best.

New faces in Victorious

This half term we have had 2 new starters in our class; Blu and Leo they are twins which has proven difficult for us all to manage at times, seeing as they are identical..

It feels like they have always been with us; although it has only been 2 weeks. They have a very keen interest for coding.

"Hi we are Blu and Leo, we love Coding and using computers, We are looking forward to being in Victorious class and learning more about The Wymering School.

"Hi, my name is Tarquin, the new school tortoise. I cant wait to meet everybody."

We had a successful trip via the bus to Fratton Park to access their jobs fair to see what was on offer in terms of career opportunities.

Lets talk animals...

We are in the process of building up our selection of animals within the school; with Dolly and Tina the guinea pigs, and Tarquin the tortoise; we also have some other friends joining us soon. If you have anything animal related that you would like to donate our animal care students would be greatly appreciative.

Lets be odd together!

On Friday 17th of November there will be an assembly on Anti-Bullying week. We would like to encourage as many students and staff to wear odd socks to celebrate that we are all different.

If you can bring yourselves to get on board with the oddness, then please do.
