This half term in Nelson

Our Big Question

This half term we were learning about myths and legends. We looked at the mythology and history of civilizations like ancient Egypt and Greece, talked about the biology of mythical creatures, and learnt all about story telling through the Hero's Journey. We created our own mythological creatures and hoaxes, and also had lots of fun with sensory learning and socialising with peers.

This has been a great half term and everyone has made really great progress . Team Nelson should be very proud of themselves!
