Summer 1 2024

This half term in Albert Road.

Our big question is...

What is going on in Albert Road this term?

We started this term back with a bang as we celebrated Wymering turning 1! With burgers, hot dogs, ice creams and inflatables Albert Road had lots of fun.

This term we will be focusing on our work experience which will be taking place after half term. All students have given us some great career choices that they are interested in, so it is full steam ahead to work towards getting these put in place.

We have lots of visits and trips this term so please keep a note of the dates so we can keep students well prepared for the changes coming.

Hoping for another amazing term with Albert Road.

o

I enjoyed celebrating the 1st birthday and eating Ice Cream

Upcoming Events

30th April - Whole school RE Day

24th April - PCSO Visit

25th April - College Visit

26th April - College Visit

6th May - HSDC Visit

14th & 16th May - Animal care trip.

It was really nice being able to help the school prepare to lower the time capsule.

Chase.
