Summer 1 2024

This half term in Southsea Class

Our Big Question

What is important to me in life and why? What do I want to be remembered for?

We have enjoyed learning about the Ancient Egyptian period. We have learnt about mummification and mummifying apples- we hated the smell when they started to decay!

We learnt about Ancient Egyptian Pharaohs, including the discovery of Tutankhamun's tomb and were shocked by the number of items that he had inside (5,000).

In English, the children have written some fantastic setting and character descriptions. We even managed to fit in writing the start of story. They should be really proud of the descriptive language that they have used.

In PSHE this half term, we have focused on internet safety and digital resilience. We have explored how they can be safe online and built their digital resilience by looking at how to use the internet to complete research using accurate resources.

Our first RE day we successful children enjoying the hands on learning that took place about Passover.

Swimming has been very successful and it has been an amazing for children to have this opportunity. Collette has really enjoyed watching all children make progress. Keeping swimming!

Have a lovely half-term! Fingers crossed for sunshine.

Dairy dates

Parents evening- Thursday 6th June

Wymering Family Picnic- Saturday 15th June

INSET day- Friday 21st June

Transition week- Week commencing 15th July (details will be shared nearer the time)
