Summer 1 End 2024

This half term in ... Victorious

What is going on in Victorious this half term?

Another super busy half term in Victorious classroom, we have barely had time to stop! We are all ready for a rest this half term.

We have visited City of Portsmouth College- Tangier Road and Highbury Campuses, Havant and Southdows College. These visits have been great for students to be able to see what the colleges have on offer in order to support making choices beyond school. On Tuesday 2nd of July we have been an invited to a taster day at the City of Portsmouth College and students have made their choices ahead of this.

We had a visit from Kath from the careers team at PCC and she supported students in research college courses that would be most appropriate for their interests but also predicted qualifications that they could leave with at the end of year 11. Kath has been a great help in supporting the understanding of students next steps.

We have also had an emphasis on teamwork this half term to be able to support and improve current relationships within key stage 4 more widely but also within Victorious and we have dedicated our personal development Fridays to team work- we have cleaned and cleared the outdoor store, help with jobs around the school, engaged in debates and conversation on topics of interests. These have been a great way to support students in being able to talk, communicate and understand others around them as well as themselves.

We hope you all have a restful half term and we look forward to seeing you all back on Monday 3rd June.

Just a reminder

If your child is unwell please use the attendance email address to inform us:

attendance@thewymeringschool.com

and communications with staff within key stage 4 should be directed to the key stage 4 inbox: ks4@thewymeringschool.com

How you can support at home

- Use our home communication books as a conversation starter at home.
- Share any information that we may need to know.
- Share strategies that work with young person with us in school to try.

If you have questions or queries, please do not hesitate to contact your young persons teacher via the Key Stage 4 email: ks4@thewymeringschool.com

You can also see what we get up to on our school Facebook Page- The Wymering School
