This half term in Warrior Class

Our Big Questions

What is important to me in life and why?

What do I want to be remembered for?

We have been so proud of Warrior class this half term and the effort they have all put in to their swimming lessons. They have all tried their best and done the school proud with their behaviour getting to and from the pool and in the changing rooms. It has also helped to bond them as a class and I really enjoyed going to watch their last session with all the inflatables!

Our Ancient Egyptian topic has involved lots of different activities including problem solving, art activities and discussions about the afterlife and what is important to us. We can't wait to show parents what we have been working on during our drop in session on Friday afternoon.

In cooking we have increased the difficulty of our recipes so that the children have now cooked a variety of meals from scratch including spaghetti bolognese and chicken wrap with chips.

In Maths we have progressed from identifying fractions to equivalence and addition and in English we have been working on our handwriting, sentence structure, and descriptive language.

We would like to wish you a restful half term break.

A new face

At the start of the week Warrior were joined by a new Teaching Assistant, Craig Shaw. Craig is known to the class and has worked closely with all the children over the previous months. He will be with us for the remainder of the year and I am sure you will all have the opportunity to meet him over the coming weeks if you have not done so already.

Dates for your diary

Parents evening - Thursday 6th June

Wymering Family Picnic- Saturday 15th June

INSET day- Friday 21st June

Week commencing 15th July- Transition Week
(Details will be shared nearer the time)
