Summer 2 2024

Our Big Focus: 'Olympics and The Euros'

Well here we are, at the end of the first full year as the Langstone originals. I am so proud of the hard work and the progress that each and everyone in the class has made. The work that has been produced is fantastic and the personal development that you have all made is fantastic! Looking back over the achievements of the year and the topics that we have covered there has been some key memories that will stay with me forever.

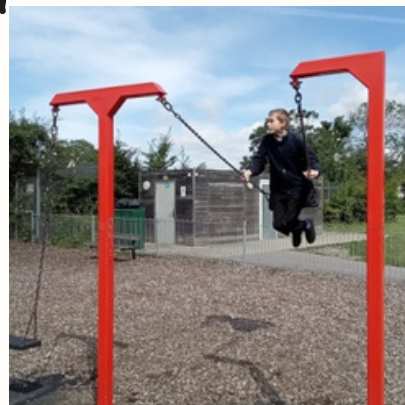

Due to the fantastic effort that you have all put in this year I only felt it right that we had two celebration trips to congratulate you on your achievements. Please take time to reflect on the progress that you have all made and how far you have come as young individuals.

The mountains that we have overcome and the lakes we have had to swim through together.

I hope that you have a restful summer and that you look forward to your new chapter in your Wymering story come September. Although it may be worrying we are all still here, just in different places and change although a bit scary can also be a really positive thing too.

Well done the OG Langstone Crew - it has been emotional in more ways than one!
Peace out Ashleigh and not forgetting the 'cool guy' Pete

A reminder... Things to bring into school:

- **A water bottle.** If your child prefers to drink squash during the day, please send in a new bottle of undiluted squash and we can keep this in school for them.
- **A change of clothes.** We often take part in messy or wet activities, so a spare set of clothes is essential! This doesn't have to be school uniform. We can keep this in school until needed.
- **A breaktime snack.** Some of our pupils get hungry before lunchtime so please do feel free to send a breaktime snack for them to have in the morning.

The Crew have been extremely well behaved on our end of year trips to celebrate their successes this year! I am so proud of how far the crew have come both on an individual and group level. You should all be proud of the people that you are becoming and the hard work that you have put into this year.
