Portsdown: End of Year Newsletter

Our Big Question was: What are the benefits of sport?

It's hard to believe that this is our final newsletter as Portsdown Class. What a year we've had! I don't think a few paragraphs here is enough to really express just how far the boys have come and how much they have achieved.

Over the last half term we have really seen them gel as a class over the 'World of Sport' topic and seeing them cheering each other on at all the events we've taken part in (*Sports Day, paddleboarding, golf and of course the famous in-school 100m sprints*) just sums up the togetherness they've embraced. All of our pupils are wonderfully unique and amazing, and for them to accept each other, and feel part of a team together, has been a joy to watch.

I know that most of the pupils are moving on to other teachers in September but I want to say the biggest and most heartfelt THANK YOU to Portsdown 23-24 for everything. You are the best and I will miss you all terribly (but I'll certainly be sure to say hello from across/down the corridor every day!). Have a great Summer everyone.
