Summer 2 End 2024

This half term in ... Victorious

What is going on in Victorious this half term?

And just like that the year is over.

What a tremendous year we have had in key stage 4 but more specifically in Victorious Class.

We have achieved, seen and grown so much as individual but also together.

Just wanted to take this opportunity to reflect what we have done; we've organised and pulled off 2 school festivals, made products and sold them at the Christmas fair, a residential, numerous trips into the community, paddleboarding, golf, shopping, careers events, careers talks.

We have done so much together and it has all been worth it to see where you are today- you should all be very proud of yourselves.

At the point you receive your newsletter, you will have been told about your new class; including your teacher, support staff and peers.

We know change is scary, but think where you started, to where you are now; you can use your skills that you have gained into the last year of school in order to set you up for life beyond The Wymering School.

I hope you all have a lovely break, and make lots of lovely memories with people around you. See you all in September, where you will be year 11s!

When are we back in September?

Students are expected back into school on
Wednesday 4th
September

Just a reminder

If your child is unwell please use the attendance email address to inform us:
attendance@thewymeringschool.com
and communications with staff within key stage 4 should be directed to the key stage 4 inbox:
