Our Big Question

What does Year 11 have in store?

Welcome to the start of the school year! It feels good to be back and into a routine again. Albert Road are busy making their new classroom their own and are enjoying the easy access to outside and the extra space we have.

This year sees us starting our 'Award of Personal Effectiveness' - a qualification designed to help develop important skills for future learning and the working world, in readiness for our post 16 choices. With a focus on project work and small group learning, all the staff involved are looking forward to building on our young people's strengths and knowledge.

We will be continuing to work towards our Functional Skills exams as well as working on all of our individual, personal goals.

Don't forget to check out our school Facebook page for regular updates and photos.

You can find us by searching for:
The Wymering School

This year we are creating an entry for Dance Live. This will be a very 'Wymering' entry designed to enable everyone to make a contribution where they feel comfortable, be it performance, concept, design, costume, music.
