Our Big Question...

This half term in Langstone Class

This half term our topic is 'Grand Designs'. We will learn about our local city of Portsmouth and its rich history, as well as the population and urbanisation of cities from around the world. We will be looking at interesting architecture and buildings which have broken all sorts of records, and exploring the forces at work in the world's strongest and longest bridges. Langstone will be having a short PE session with Colette on a Friday once a week, along with additional trampolining session with Helen on Tuesdays. This term see's the start of our new ASDAN courses which we will be offering during our personal development day on a Wednesday, pupils have a choice of cooking, animal care, creative arts or outdoor education. Langstone have cooking on a Friday afternoon before Fredagmys.

**WHAT IS THE BEST THING ABOUT BEING
IN LANGSTONE?**

**"EVEN THOUGH WE ARE
COMPETITIVE, WE ARE
ALL GOOD SPORTSMEN
AND CARE ABOUT EACH
OTHER, THAT'S WHAT I
LOVE ABOUT THIS
CLASS"**

Brody

**"BEING IN A CLASS
WITH FRIENDS
WHO SHARE
INTERESTS"**

Daniel

How you can support at home

This term is going to be a big change for students, as they start back with unfamiliar staff and a new class group.

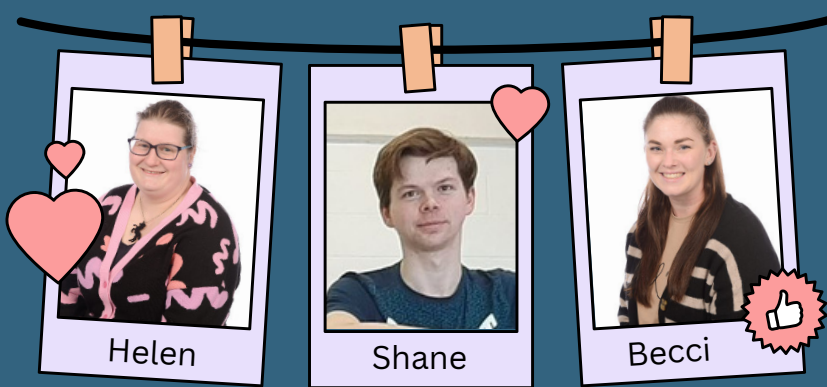

Each student has a communication book going home every day so we can have constant communication between home and school. Please spend some time taking a look at what has been written each day.

If you have any questions, concerns or feedback (positive or negative!) you would like to share with us, these can be written down in this book, this will help your child's class team with a little inside knowledge on how things have been at home and how best to support them. You can also email and call if you need to speak to us.

ks3@thewymeringschool.com

The Wymering School facebook page is constantly update so please keep an eye on that for any upcoming events.
