Autumn 2 End 2024

This half term in ...

From Strictly Come Albert Road, to Health and Safety executives, to experimenting with every ingredient imaginable to test textures and colour in oobleck and slime, Albert Road have been very creative this half term. They have particularly enjoyed their seasonal birthday board and 'duck gallery'. In between all this creativeness, Albert Road have all sat their first set of exams and all passed! Well done, everyone!

In January, the students will have the opportunity to attempt the next level of exams in English and Maths. When not practising for these, they will be testing their investigative skills with some crime scene investigations and also spending some afternoons on individual timetables, designed to further their particular interests or in preparation for college.

The Albert Road Team would like to wish you a Merry Christmas and a Happy New Year.

Family Support Resources

“We know that for many children and young people, Christmas is when they feel the most vulnerable. We work hard to ensure that the support is there for young people 24 hours a day. Not only do we deliver 1-1 counselling sessions, but young people have access to ‘wellbeing drop in’ sessions with on call counsellors and a text service. Our text support service is incredibly valuable at this time of year. Young people can text BREATHE to 85258 to chat with a trained volunteer at any time, even in the middle of the night.” – Kate, Service Coordinator
