Start of Spring 1 2025

What is coming up in Dockyard this term?

We have plenty of exciting opportunities coming up for Dockyard class this term. With trips planned, reading challenges to do, and targets to meet, it is set to be a great term.

We have our new Adventure learning staff getting to know the students, ready to take them out on trips to gain new skills outside of the classroom.

We have our new Football coach, Toby, to help the students improve their abilities in football.

Students are busy planning trips for us to go on, where they can be trip leader.

We have challenge partners coming to look around our school in the week commencing 20th January 2025.

This term we are starting our reading challenge, as a class we will be reading for 5 minutes every day, whether this be independently or as a class.

Week commencing 27th January 2025 is KS4 exams week, where students can sit the next level of their exams. We appreciate that this is a stressful time for students so we will have some fun activities in the week following this.

What do we need in school?

- Water bottle
- Packed lunch if required.
- Change of clothes
- A breaktime Snack
- A coat for outside
