What is going on in Victorious this half term?

Happy New Year to you all- we trust that you have had wonderful breaks; it has been great to have the students back. Myself and Caroline are very excited about our half term ahead!

We have another busy one in Victorious class, more widely in Key Stage 4 and then even more widely the school as a whole. There is lots going on; with different learning opportunities for students to be involved with.

Firstly to highlight that the exam timetables have been sent out by Kathryn; she has devised the timetable in order to support the regulation and wellbeing of students at a time where their anxiety levels have increased due the stress and pressure they may be feeling; and so with this in mind a decision has been made for students to only be in school in order to support this process being successful in every way it can be. Also, due to the specific individual learning needs of all students; students are entitled to access arrangements and so with these in place we have a near on impossible task to have everyone in school at the same time and give them the specific support they need and deserve in order to access their exams.

So the build up to exams week will be very structured and lessons will be centered around upskilling/ refreshing students knowledge in order for them to be in the best position possible for their exams.

Things we will be planning/ working on this half term

- Starting the planning phase of Prom
- Researching ideas for our end of year trip
- Planning and preparing ourselves for residential
- For year 10s starting the process to investigate next steps beyond Wymering.

Exam Prep- A few tips

- Stay calm and do not worry
- Speak to us if you're feeling worried
- You can do it- we believe in you
- Be proud of yourself
- There is always someone around to help

Myself and Caroline believe in you
ALL!
